New funding to build towards AGI

 Listen to article 0:41 Share

Today we're announcing new funding—\$40 billion at a \$300 billion post-money valuation, which enables us to push the frontiers of AI research even further, scale our compute infrastructure, and deliver increasingly powerful tools for the 500 million people who use ChatGPT every week.

We're excited to be working in partnership with SoftBank Group—few companies understand how to scale transformative technology like they do. Their support will help us continue building AI systems that drive scientific discovery, enable personalized education, enhance human creativity, and pave the way toward AGI that
